MEAT & DRINK

*It started with steak. We're meat lovers, and when we discovered how hard it was to find delicious, affordable steaks in our neighbourhood, our passion found a purpose. We created restaurants that source and serve the most incredible steaks, in a setting that feels close to home, at prices that make everyone smile. We're Roxie, the people's meat local.*

*For the ultimate Roxie experience, we recommend one of the following carefully crafted menus...*
